

WOMEN'S & CHILDREN'S HEALTH RESEARCH INSTITUTE

PhD SCHOLARSHIP IN MOLECULAR VIROLOGY/IMMUNOLOGY

Applications are invited for two PhD scholarships at the Women's & Children's Health Research Institute (WCHRI), an independent medical research institute based at the Women's and Children's Hospital, North Adelaide. WCHRI is associated with the University of Adelaide where suitably qualified successful candidates will be expected to enrol.

The projects will examine novel strategies to induce humoral and cell mediated immunity to hepatitis C virus as a component of ongoing studies into novel vaccines and immunotherapy. The candidates will gain an overall understanding of molecular biology, virology and immunology.

The positions which are funded by NHMRC grants are available from early January and will be available for 3 years, subject to satisfactory annual review. For further information please call Professor Gowans (0422 928 906) and send applications to Kathy Kingston kathy.kingston@adelaide.edu.au.

The application deadline is 19 December 2008
